WELCOME MESSAGE

Dear Friends and Colleagues,

Greeting from the Spiritual city - Indore!

We are happy and excited to welcome each one of you to the most awaited 23rd Annual Conference of the Society of Gastrointestinal Endoscopy of India, ENDOCON 2023, to be held from 7th – 9th July 2023 at Brilliant Convention Centre, Indore.

Team ENDOCON is ready for a great academic feast in Indore. It will be an extraordinary event that will span over three days of Hands-on Workshops, 15 plus hours of LIVE Endoscopy, Didactic Lectures, Dedicated PG Course, Breakfast Sessions and Dinner Symposia. During these three days, a galaxy of National and International stalwarts will demonstrate their expertise and knowledge in various areas of GI Endoscopy.

Indore, situated in the heart of India, has been awarded as the cleanest city of our country consecutively for the last six years. It is surrounded by many religious places and tourist spots. Indore has been the seat of the Holkars during the rule of Peshwas and later under the rule of the Britishers.

The newly revamped Mahakal Lok, Ujjain which is almost a 40-minute drive from the venue, consists of a colonnade of 108 ornate pillars. These pillars are made from beautifully carved sandstone. Along with this, gushing fountains and mural paintings are other highlights of the place. As many as 50 mural paintings are created on a running panel to depict the stories of Lord Shiva from 'Shiv Purana'.

Boasting rich history and rapid industrialization, Indore is also famously known for its cotton handloom industry, street food at Sarafa Bazaar and Chappan Dukan. Incidentally Indore is now known as the street food capital of India

The city offers excellent infrastructure. Indore is well connected by air, railways and road with every corner of the country. It has more than three thousand hotel rooms of all categories which are in close proximity of the venue.

With both our hands joined together, we look forward to welcoming you to experience a whole new level of conferencing wrapped with traditional harmony and extended hospitality to the magnificent "city of joy"
